- Myers-Briggs Assessment

In management with Fidelity Investments for the last twenty years, Gail's expertise lays in talent management and relationship building. She currently is Director, Diversity and Inclusion. Her responsibilities include coaching 150 Employee Resource Groups globally, presenting diversity curricula to all levels of leadership, and serving as a debrief facilitator and coach to senior management. Gail is best known for her leadership development programs, diversity training, and coaching skills.

Gail's passion for helping others achieve their leadership goals extends to her community activities. As an active participant in the Cincinnati USA Regional Chamber, she had a leading role in shaping Diverse by Design programming and sits on the CONNECT Senior Leaders Council. She separately developed training materials for Regional Youth Education. She also serves as a coach for women trying to reenter the workplace at Dress for Success.

OneSource Experience

Gail was an integral part of the team that designed and executed a customized leadership training series in 2018 for Planned Parenthood Southwest Ohio Region.
