**Consultant Since:** 2019

### **OneSource**

3610 Park 42 Drive  
Cincinnati, OH 45241  
Telephone: 513.554.4944

### **Professional History**

- Fifth Third Bank
- Cincinnati Bell Technology Solutions
- Greater Cincinnati Foundation
- Gap, Inc.

### **Education**

- M.B.A., Business, Xavier University
- A.A.S., Computer Science, University of Cincinnati

David is an information technology professional with expertise in all phases of business solutions delivery. David recently retired from Fifth Third Bank, where he was a lead business analyst. As manager, business analysis and systems development, he managed internal development and support of business systems. David served as director of technology at the Greater Cincinnati Foundation, where he managed the system for providing web-based information to stakeholders. For more than 18 years, David worked at Gap Inc., where he rose to the position of IT Director. David's areas of expertise include project management, business analysis, and information technology management.

### **OneSource Experience**

More than ten years ago, David volunteered as the webmaster of OneSource Center's predecessor, the Executive Service Corps of Cincinnati.
